

A detailed mosaic artwork featuring several flowers and butterflies. The background is a dense, textured pattern of small, light-brown rectangular tiles. In the upper left, a black and white butterfly is in flight. To its right, a yellow and black butterfly is also in flight. Below these, a large, multi-petaled flower in shades of pink, white, and yellow is in bloom. In the lower right, another large flower in similar colors is shown, with a blue and black butterfly perched on it. The bottom left corner shows a white flower with a yellow center. The overall composition is a harmonious blend of natural elements rendered in a mosaic style.
